Education

2019

Ideal School And College, Motijheel, Dhaka-1000
Science

I have obtained GPA-5 and stood 100th in Dhaka board in SSC. Besides academics, I have been an active member in extra-curricular activities like Science club and Debating club

2021

Notre Dame College, Motijheel, Dhaka-1000
Science

I had been an active member of nature club and math club in my college. Besides, I have obtained GPA-5.00 in HSC examination

2023-Present

Chittagong University of Engineering and Technology (CUET)
B.Sc. [Engineering] in Computer Science and Engineering

Currently I am a 2nd year student. I have focused myself in computer networks and things related to it.

Professional Training

2024

CCNA
National Academy for Computer Training And Research(NACTAR)

I have been learning from this institution because it offers 58% voucher for CCNA after fully successful completion of their course.
